

## COPYRIGHT TRANSFER STATEMENT

The *Indonesian Journal of Biotechnology & Biosciences* would be pleased to publish your article entitled :

### ***In Vitro* Propagation Technique for Embryogenesis Callus Induction and Plantlet Regeneration of Alfalfa (*Medicago Sativa*)**

The undersigned authors transfer all copyright ownership in and relating to the Work, in all forms and media, to the *Indonesian Journal of Biotechnology & Biosciences* in the event that the Work is published. However, this agreement will be null and void if the Work is not published in the Journal.

In signing this Agreement :

1. The work has not been published elsewhere, either completely, in part, or in another form, and has not been submitted to another journal.
2. All authors should concur with this agreement.
3. Human studies and experiments using animals should obtain the permission of the pertinent authorities, and it should be stated
4. Any financial interests to authors should be disclosed
5. Duplicate publication, plagiarism, falsification, or fabrication will be considered actionable misconduct

This agreement must be signed by all authors.

Date : February 4, 2019
