Operasional Definitions of Variables

Variables	Dimension	Indicator	scale
X1 <i>Sunset Policy</i>	Government policies that provide tax facilities in the form of elimination of tax administration sanctions in the form of interest	<i>Sunset Policy</i> is the provision of tax facilities in the form of elimination of tax administration sanctions in the form of interest.	interval
	sunset policy requirements	<i>Sunset policy</i> provide opportunities for people who voluntarily register to obtain a NPWP and submit SPT Corrections.	
	Impact of Sunset Policy	Taxpayers who report tax underpayments after implementing the Sunset Policy are higher than before the implementation of the Sunset Policy	
	Benefits of Sunset Policy	Taxpayers who have taken Sunset Policy are exempt from tax audits, investigations and tax collection.	
	Taxpayers awareness of the importance of sunset policy	Taxpayers do not feel that implementing the Sunset Policy is a trap. Taxpayers benefit from implementing the Sunset Policy	
X2	Government policy to	As a taxpayers, they	interval

		Taxpayers believe that implementing tax obligations is an act as a good citizen.
