Manuscript Title: *Neurotransmitters' activity and pharmacotherapies: From decision making process to juridical implications*

Names of the Author: Abdelaziz GHANEMI

Journal Name: *International Journal of Advances in Applied Sciences*

The copyright to this manuscript is transferred to **Institute of Advanced Engineering and Science (IAES)** if and when the article is accepted for publication. The undersigned hereby transfers any and all rights in and to the paper including without limitation all copyrights to IAES. The copyright transfer covers the exclusive right to reproduce and distribute the article, including reprints, translations, photographic reproductions, microform, electronic form (offline, online) or any other reproductions of similar nature.

The undersigned declare that:

1. The undersigned hereby represents and warrants that the paper is original and that he/she is the author of the paper, except for material that is clearly identified as to its original source.
2. The manuscript does not violate any right of other parties, and all copyright permissions are obtained for materials published elsewhere and which require any permission for reproduction.
3. This manuscript has not been published or under consideration for publication in any form elsewhere.
4. The content of this manuscript is solely under the responsibility of the author(s), not the IAES.

Retained Rights of the author(s):

1. Author(s) retain all proprietary rights except the copyright.
2. Author(s) may reproduce or authorize others to reproduce the manuscript for the author's personal use or for company use, provided that the source and the IAES copyright notice are indicated, the copies are not used in any way that implies IAES endorsement of a product or service of any employer, and the copies themselves are not offered for sale.
3. Author(s) are permitted to use all or part of the manuscript, including the IAES-published version without revision or modification, on the author(s)' web home page or employer's website and to make copies of all or part of the manuscript for the author(s)' and/or the employer's use for lecture or classroom purposes. If a fee is charged for any use, the IAES permission must be obtained.
4. Although authors are permitted to re-use all or portions of the manuscript in other works, this does not include granting third-party requests for reprinting, republishing, or other types of re-use.

The undersigned represents that he/she has the power and authority to make and execute this assignment, and accepts responsibility for releasing this material on behalf of any and all co-authors. This agreement is to be signed by at least one of the authors who have obtained the assent of the co-author(s) where applicable. After submission of this agreement signed by the corresponding author, changes of authorship or in the order of the authors listed will not be accepted.
