

EDITORIAL CERTIFICATE

This document certifies that the manuscript detailed below was edited for proper English language, grammar, punctuation, spelling, and overall style by one or more of qualified editors at inFocus English.

Manuscript title:

The Effect of Vitamin E on Hepatocyte of Mice Exposed to Mercuric Chloride

Author:

Acivrida Mega Charisma

Date issued:

August 15, 2019

Neither the research content nor the author's intentions were altered in any way during the editing process. Documents receiving this certification should be ready for publication; however, the decision of journal editors is based on the quality and suitability of a manuscript for that journal and is entirely independent of whether the manuscript has been language edited by our service.
