Editor-in-Chief of Majalah Kedokteran Bandung (MKB)
in Bandung, Indonesia

Dear Sir/Madam,

We wish to submit an original research article entitled **"Knowledge Improvement of Burn Prevention, First Aid and Initial Management Through a One-Day Community Health Promotion Event"** for consideration by Majalah Kedokteran Bandung.

We confirm that this work is original and that the manuscript has not been published elsewhere, nor is it currently under consideration for publication elsewhere. We also confirm that there is no falsification or fabrication of data and no plagiarized content in the article.

We believe that this manuscript is appropriate for publication by Majalah Kedokteran Bandung because it... **highlights the lack of knowledge and information of community residents regarding burns, especially in Bandung, despite the high frequency of burn accidents. This manuscript also emphasizes how a simple educational event could significantly increase knowledge and how future accidents could be prevented.** All authors of this manuscript have approved the final version of this submitted manuscript.

We have no conflicts of interest to disclose.

Thank you for your consideration of this manuscript.

Sincerely,

dr. Lisa Hasibuan, SpBP-RE(K)
