

Bandung, 7 Maret 2019

To:

Editor-in-Chief of Majalah Kedokteran Bandung (MKB)
in Bandung, Indonesia

Dear Sir/Madam,

We wish to submit an original research article entitled "**Histological Characteristics of Dried and Fresh Type Amnion Membranes with Duramater Membranes in Non-Human Primate, *Macaca fascicularis*: A Preliminary Study**" for consideration by Majalah Kedokteran Bandung.

We confirm that this work is original and that the manuscript has not been published elsewhere, nor is it currently under consideration for publication elsewhere. We also confirm that there is no falsification or fabrication of data and no plagiarized content in the article.

We believe that this manuscript is appropriate for publication by Majalah Kedokteran Bandung because **it give knowledge about biological structure that can be considered as an attractive treatment for clinical problems in neurosurgery, it's about histological analysis that carried out regarding the characterization of amniotic membrane and duramater**. All authors of this manuscript have approved the final version of this submitted manuscript.

We have no conflicts of interest to disclose.

Thank you for your consideration of this manuscript.

Sincerely,

A handwritten signature in black ink, appearing to read 'Ahmad Faried', with a horizontal line extending to the right.

[Ahmad Faried, MD., PhD]

Conflict of Interest Declaration

Here by the author(s) certify(s) that the manuscript entitled :

(Histological Characteristics of Dried and Fresh Type Amnion Membranes with Duramater Membranes in Non-Human Primate, *Macaca fascicularis*: A Preliminary Study)

is an original work and is not under review at any other publication. All authors of this manuscript have approved the final version of this submitted manuscript and there is no financial interest to report. This manuscript is ready for publication in the Majalah Kedokteran Bandung (MKB).

Author (s) (please write your name with academic degree(s) and sign)
