ABSTRACT

Wakamonokotoba is the language used by young Japanese to communicate with friends. One characteristic of *wakamonokotoba* is abbreviation. The function of abbreviation is to facilitate the pronunciation of long words, confidentiality, and strengthen the sense of solidarity.

This study is using the qualitative descriptive. The data source is comic entitled *Gals!* volume 1. This comic containing *wakamonokotoba*'s expressions for experiencing the abbreviation. The analysis performed using the identification of *wakamonokotoba*'s abbreviation, according to the abbreviation tabulation and description of the results.

The results showed that (1) from 35 *wakamonokotoba* experiencing abbreviation, 17 words classified *tanshikishouryaku*, 11 words classified *fukushikishouryaku* and 8 words for an exception, (2) on *tanshiki shouryaku* were found *jouryaku*, *chuuryaku*, *geryaku*, (3) on *fukushiki shouryaku* were found, *fukushiki shouryaku*, a compound word made up of two and three words combined, (4) while the form of exemptions, there are 3 patterns were identified, namely *toujigo*, the same word has two distinct forms of short word, with a different formation before.

The author suggests for the further research on the topic *wakamonokotoba* terms of writing or analysis contrastive *akasaki toba* Japanese language is fortunate. Also it is recommended to use the Japanese native sources who has the ability of the real production in the Japanese language.

Key words : abbreviation, morphology, *wakamono kotoba*
