SUMMARY

I am an Undergraduate Law Student at the University of Jember. I gained my leadership experience as an Executive Director at Forum for Juridical Science Studies. I also own the ability to do legal research, legal writing and project management. I never limit myself to learn something new. This was shown from numerous achievements to publications of journals and books in the fields of law and technology from national to international levels that I accomplished from the past 5 years. I love to innovate and work with teams to achieve great goals.
