Abstract

Movie is a media that can educate people is a media that can educate people and enable to improve them understanding on specific subject though visual. Movie is a media that have important influence in giving information and as a tool to deliver messages to audience or people. The study is based are two research questions, the first is what are the Types of Moral Values Found in Wonder Movie and the second What are Moral Values in Character Auggie and Others Character Supporting. The methodology of this study is qualitative method. The primary source of the data is "Wonder" movie, and secondary source of the data is the file of the subtitle. The result of this study is there are some moral values in Wonder Movie such as Bravery, Humbleness, Honesty, Steadfastness, Sympathetic to others, Cooperativeness, Thankfulness, Kind Hearted, Trustworthiness, Sincerity, Love and Affection.

Keywords: *Literature, Moral Value, Movie.*

I. Introduction

There are some meanings of literature according to the scientist. According to Jones (1068) has its broadest sense as all written materials. Lombardi defines literature as a term use to describe written or spoken material. Generally, literature is used to describe written or spoken material to more technical or scientific work. In other words, literature is something that reflects society, makes us think about ourselves and our society, allows us to enjoy language and beauty, it can be didactic, and it reflects on "the human condition". If we learn literature it means that we do the activities in relation with imagination and play some beautiful language. The writer says this because literature is the creation of another world, a world that we can only see through reading literature. There are some genres in literature, such as novel, poetry, poem, film (movie), and so on.

Today, watching movie becomes part of everyday life for some people. The people have different purposes in watching movie such as for refreshing, spending their time, getting information and perspective, learning foreign language and trying to understand other cultures. Most of people like watching movie no matter their life condition, whatever their background, whoever they are, sexes and ages. Not only in big cities, but also in small town people are watching movie. Due to advance technology development such as internet and smartphone, people can watch movie anytime and anywhere.

In the film (movie), there are some genres. Genre is a word for a type of movie or a style of movie. It can be fictional (made up) movie, or true, or a mix of the two. There are some movies mix together two or more genres, such as action movies, adventure movies, animated movies, comedy, drama, tragedy, horror, romantic, thrillers, and so on. Usually, many people more often watch action movies, drama, horror, or romantic movies. Generally, if people watch the movie, they will take along with story in the movie that they watch. So, it influences their attitude in daily life. If they watch movie that have a good moral value, usually they will also have a good attitude in daily life. Of course if they watch movie that have a bad moral values, they also will have a bad attitude in daily life. According to Yousuf and Dadabhoy (2013) movie is able to show the audience an image therefore can present themselves to the viewers lucidly. Most of people engage the messages clearly from the movie, but some people difficult to engage it. One of the messages that we catch in movie is about moral values.

Moral value is the values that express ideas about good life. There is constant debate about which values constitute the good life. Moral value is logic term that a principle or action or character of human is true or false and good or bad. Social morality defines how we respond to our environment, our immediate community and the world community. According to Johnston (2002) moral values is

expressed in attitudes that become visible in opinions and concrete behavior. Attitudes based on moral values refer to society life, being with others, and the reflective view one's own identify.

Wonder Movie is one of movies that has a lot of moral values for the audience. Wonder movie produced by Stephan Chbosky and Written by Jack Thorne, Steven Conrad, and Chbosky. It is based on the 2012 novel of the same name by R. J. Palacio, Stars Julia, Roberts, Owen, Wilson Jacob, Tremblay, Noah Jupe, Izabela. The film, which follows a boy with Treacher Collins syndrome trying to fit in, was released in the United States on November 17, 2017, by Lionsgate. And there are several moral value in "Wonder" movie. For example, "When you Have to Choose between Doing Right or Doing Good, Choose to do Good".

This study focuses on moral values in Wonder movie. The writer hopes this study would be able to emphasize the important of moral values to the reader. Therefore, based on explanations above, the writer is going to conduct a research to investigate the moral values in the Wonder Movie under the title "MORAL VALUES FOUND IN 'WONDER' MOVIE".

II. Review of literature

The First Researcher is Indah Cahyani in "English Education Department Faculty of Tarbiyah and Teacher Training State Islamic Institute (IAIN) Of Tulungagung" (2016). Who Studied about An Analysis of Moral Message in "The Philosopher" Movie. This research is a qualitative by using library research, the technique used by gathering all of the data from internet or other sources that relevant to the topic. She started by watching The Philosopher movie and read the script of The Philosopher movie to find the data qualitative by using library research. This movie has full of philosophical meaning, but in simple language and Tells about How we can know and rethink about everything. as destiny, dream and friendship. Not only those, in this movie we can know about the problem that always interesting in our life is love and sacrifice and we can also learn about how we give evidence if we can get the chance to life well with our ability. The writer research and the first researcher both use qualitative methods, the first researcher use film as objects and the writers analyze the details of moral values between the main character and others character supporting, while the first research only focuses on certain parts such as the main character.

The second researcher is Maulidia Humaira in "Department of English Language Education Faculty of Education and Teacher Training Ar – Raniry State Islamic University Darussalam – Banda Aceh" (2018). Who Studied about An Analysis of Moral Values in "Zootopia Movie". It's similar with The Philosopher Movie, this research is a qualitative by using library research. She begins to watch the movie and read the script to find the data. Besides, she gets the data from internet or other sources that relevant to the topic. This movie tells about partnership between officer Judy Hopps is a bunny police force and Nick Wild is a fox to uncover a conspiracy involving the disappearance of savage predator and inhabitants of a mammalian metropolis. the writer compares with the second researcher. the writer compares with the second researcher. The second researcher prefers to analyze the more universal part, not only about the main character or supporting actors, but to the roles that cover the whole, while the author focuses on discussing the main character and others character supporting, and same uses qualitative methods.

III. Method

1. Research Design

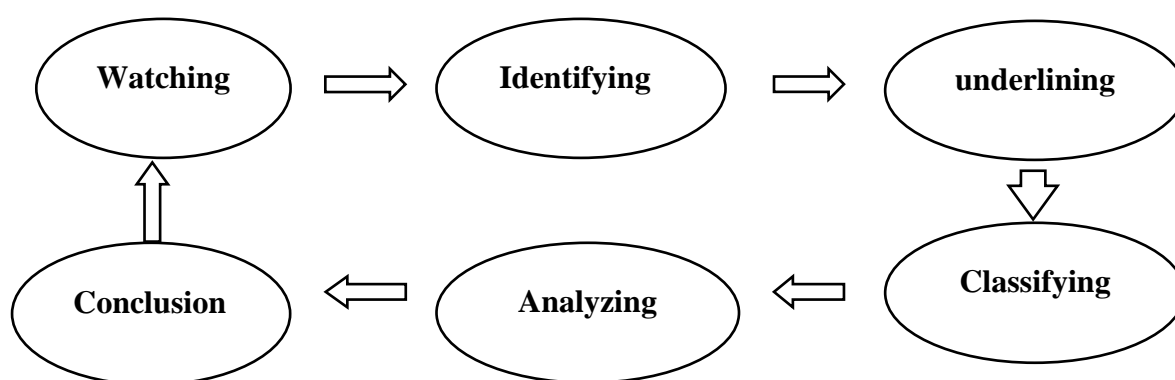

To analyze Wonder Movie, the writer used the descriptive qualitative method with data analysis approach. The qualitative research is descriptive; the data collected are in the form of words or pictures rather than number (Bogdan and Bikle, 1992). From this statement the writer concludes that qualitative research is a method to analyze the data with all richness as closely as possible to the form in narrative form, the written word is very important in the qualitative approach.

2. Data Collection

In collecting the data, the sources of the data were divided into primary source and secondary source. Primary source is the original thought. The sources of data in this research were taken from the movie Wonder by Stephen Chbosky (2017) that has been watch several times by the writer with English subtitle. Secondary source is essay of the other reviews, that used to complete the primary data. The data was taken from any kinds of Journals that relevant with to this research such as Journal of theories, moral, message that related to moral messages consisted in the movie. The writer also get the informations from certain websites which related to this paper.

3. Data Analysis Procedure

To acquire more information and many useful things supporting the completion of this research the writer reads some books from libraries. The information taken from books, journal and the additional taken from internet. In this study, the writer describes the research stages as follows:

IV. Result

The film is adapted from the novel of the same name, by Raquel Jaramillo Palacio, tells how the life of a child suffer from a disorder and struggle with life August Pullman (Jacob Trambley) or Auggie, a 10 year old boy who lived his life with homeschooled. Isabel (Julia Robert) who is the mother becomes teacher at home. It's not that you don't want to go to school like children another, Craniofacial disease required him to have surgery 27 times. The illness he suffered was a rare thing. occurs and there are only about 7% per birth. This disease changes the face until it was clear that Auggie's face was different from the faces of others in general. It might seem strange if Auggie met the children her age out there, maybe some children will be surprised, run away scared, or they could say harsh words that hit him hard because it has a different face from other people in general. Auggie's parents, Isabel (Julia Roberts) and Nate (Owen Wilson), planning on entering school Auggie. Both thought it was time their youngest child received a formal education. At first Auggie didn't want to school, Auggie is very afraid when out there, lots of people afraid to see it and many will make fun of it. But, since if Jack Will fell into Auggie's circle of friends, he didn't feeling anxious again. Not only that, it turns out that Jack Will has the same hobby namely playing Minecraft. During school, Auggie was taught by Mr. Browne who is also her homeroom teacher. On during teaching time, there is a pearl word that appears "When given the choice of being right and being kind, choose kind. " Which means If given chance to be right or to be good, choose to be good. This matter who was on Jack Will and Summer who were Auggie's friends want a change in the spirit of friendship. Auggie (Jacob Trembley) walks to his new school together both parents and brother. His school days were only filled by Jack Will back then, everything was done together with Jack Will. On the one hand, his other friends prefer not to play and be friends with Auggie, and including Julian who is one of the influential people who made Auggie a victim of bullying and made rumors about Auggie who touches it will get the plague "The Plague". Result rumors, many other children chose to stay away from Auggie. This made

Auggie grimace and feel disappointed. He blamed his parents for trying to get him to school. But Via (Auggie's sister) was the one who understood Auggie's condition the best. Via is loyal to accompany him and make himself a figure who always is there is. Via's affection stuck with him. Via which is an understanding figure realizes the weight of his parents' burden at that time. Even though the affection he received from his parents was lame. The strong role of Julia Robert in the Wonder film makes a lot of it people get carried away when watching this film. Mother character in self Julia Robert, who is very familiar to Box Office movie lovers, makes films Wonder is undoubtedly the rating. The mesmerizing role of Jacob Trembley as the actor of Auggie who was truly extraordinary to bring the audience in Auggie's suffering at the film. The composition of the cast right, up to This story, which is directly adapted from the novel by R.J Palacio, captivates the eye millions of viewers. This Wonder film has four stories from four different people, tells about Auggie, Via, Jack Will, and Miranda. But unfortunately, Stephen Chosky as director only focused on the story of Auggie who where as the main character from the Wonder film to the story from the three other people in this film are not completely resolved. But still, many people cry after watching movies Stephen Chbosky's Wonder. Mix Jacob Trembley as Auggie and Julia Robert made the audience feel immersed and sad to watch this film. "We all deserve a Standing ovation are These points in our lives. My friends do, teachers do my sisters does for always being there for me, but dad does for always making us laugh and my mom does the most for never giving up on anything." The sentence comes from Auggie's very character impressive on this film. Many lessons can be taken from this Wonder Film, where we are as humans, we must remain grateful for what we get during our lifetime. There is an implicit message from this film, parents must keep sharing affection for children fairly. Family is the most place valuable, because family is a place where that comfort comes from.

Discussion

There are types of Moral Values in Wonder Movie

1. Bravery

Bravery is willing to things which are difficult (Hornby, 2010: 169). It is the ability to stand up for what is right in difficult situations. The bravery to take the decision is very useful to face the problems (Siagian 2003: 112). It is not doubtful in facing the danger because gives the strength to do the action which is considered right in front of the strong opponent (Neuschel, 2008 : 82).

Mr Tushman : Auggie. What do you think? Other kids now? so they know their way around they'll give you a nice tour. It will be fine. their way around. ***It will be fine.***

Mr Tushman : Auggie this is Jack Will, Julian, Charlotte. Guys this is Auggie Pullman.

Auggie : Hi

Jack Will : Hay

Auggie : ***Meeting kids is harder than meeting adults. Everyone makes the same face at first. But kids aren't as good at hiding it.***

(Chbosky, 2017: 06:18 – 08:02)

Based on the dialogue above, Auggie fought fear and ventured around the school with Jack, Julian and Charlotte, and Mr. Tushman whispered that Auggie would be all right.

2. Humbleness

Humbleness means showing that we do not think if we are as important as other people. (Hornby, 2010 : 734).

Justin : ***Thinking about signing up?***

Via : For what?

Justin : The Drama Club. They study theater in the fall and do a play in the spring.

Via : No, not really. I'm... I'm not a theater nerd.

Justin : Well, that's too bad.

Justin : ***I am Justin, by the way. Sorry, that was... That was rude.***

Via : ***I'm Via. Olivia.***

Justin : ***First days suck, don't they?***

Via : Yeah. Yeah, they do.

Justin : My mom tried to walk me here from the subway. I literally had to ditch her at the traffic light. My mom still doesn't think I can use a MetroCard. Are you an only child too?

Via : Yeah. Yeah. They never listen.

Justin : ***Well it was nice to meet you, Via. Olivia.***

Via : ***Yeah. It was nice to meet you too, Justin.***

Justin : Maybe, I'll see you around.

(Chbosky, 2017: 28:45-30:03)

Justin's humility who wants to talk via talk when everyone is busy with their own business on the first day of school.

3. Honesty

Honesty is the quality of being honest. It always tells the truth and does not hide rightness. (Hornby, 2010 : 721).

Jack : They want me to do what?

His Mom : Give a tour through the school.

Jack : But Mom, it's summer vacation.

His Mom : I know but your teachers told Mr. Tushman you're known as a good egg.

Jack : No, I'm a bad egg.

His Mom : You're a good egg. And I'm actually really proud they thought of you for this.

Jack : Mom, enough with the guilt.

His Mom : And you know they gave you a scholarship, right?

Jack : Mom... Who else is doing it?

His mom : Charlotte and Julian.

Jack : No.

His mom : Why, what's wrong?

Jack : Charlotte just talk about Broadway the whole time. And Julian is the biggest phony on the planet. So I'm sorry, but no.

His Mom : Jack, it's for that boy.

Jack : Who?

His Mom : The one from the ice cream shop.

Jack : Yeah.

His Mom : So if a nice kid like your little brother cries when he sees him, what kind of a chance do you think he has in middle school?

Jack : Okay.

His Mom : Thank you, kiddo.

Jack : ***Four things I've learned about Auggie Pullman ; First of all, you do get used to his face. Second, he's really smart. He's ahead of me in everything. In science, he's ahead of the whole school. Is everybody watching? Third of all, he's actually pretty funny. But fourthly, now that I know him, I would say I actually do wanna be friends with Auggie. At first, I admit it, I was only friendly to him because my mom asked me to be nice. But now I would choose to hang out with him. Like, he's a good friend. Like, if all the guys in fifth grade were lined up against a wall and I could choose anyone I wanted to hang out with. I would choose Auggie.***

(Chbosky, 2017: 51:46-54:06)

Jack will befriend Auggie only because his mother asked him to. but after Jack friends with Auggie, Jack loves to be friends with Auggie because Auggie has a lot of positive values.

4. Steadfastness

Steadfastness means that our attitudes and aims are not changed.

Auggie : ***I know I'm not an ordinary ten year old kid.*** I do ordinary things. Eat ice cream. Ride my bike. I'm really good at playing sports. I love Minecraft, science and dressing up

for Halloween. I love to lightsaber fight with my dad and watch Star Wars movies with him. And drive my big sister crazy. And dream about being in outer space, **just like any ordinary kid. I just don't look ordinary when I'm doing these things.**

Auggie accepts the fact with patience and gratitude that he was born differently.

(Chbosky, 2017: 01: 20 – 2:32)

Via : **My mom put her life on hold for my brother.** She always wanted to be a children's book illustrator and teach art. She was one thesis shy of getting her master's when Auggie was born. Then, she stopped writing it. **She stopped a lot of things when Auggie was born.** But **she is still great at drawing. I don't know if she even realizes that she makes Auggie the center of every universe she draws.** Miranda used to joke that my house was like the Earth. It revolved around the son, not the daughter. **That doesn't change the fact that my mother has a great eye. I just wish that one time, she would use it to look at me.**

(Chbosky, 2017: 26:01-28:03)

Just like auggie that via also accepts the fact that she will be treated a little differently from auggie because auggie is born differently and must be given love and affection, but sometimes via also wants to be treated and seen as her parents treat auggie. But through sincerity and patience to face this reality.

Nate : Hi, How was your first day of school?

Isabel : Earth to Auggie. We asked you a question.

Nate : Come on, how was your day?

Auggie : Good.

Nate : Good how? "Good," like it was good? Or "good," like it was bad and you just don't wanna tell us?

Auggie : It was good, okay? I just don't know what you want me to say! It was good!

Nate : Okay, hey! If you're mad at Mom about going to school, it was my idea, too.

Auggie : Why can't I just say "good" like anybody else? Batting a thousand today.

Isabel : Are they gonna ask about my day? That is not the way we leave the table. Hey, come on. Talk to me. Sit down. Take that off, please.

Auggie : I'm sorry.

Isabel : It's okay. It'll be okay.

Auggie : Why do I have to be so ugly?

Isabel : You are not ugly, Auggie.

Auggie : You just have to say that **because you're my mom.**

Isabel : **Because I'm your mom, it doesn't count?**

Auggie : Yeah.

Isabel : **Because I'm your mom, it counts the most because I know you the most. You are not ugly and anyone who cares to know you will see that.**

Auggie : **They won't even talk to me. It matters that I look different. I try to pretend that it doesn't, but it does.**

Isabel : I know. Is it always gonna matter?

Auggie : I don't know.

Isabel : Honey. Listen... Look at me. **We all... have marks on our face.** I have this wrinkle here from your first surgery... and have these wrinkles here from your last surgery. **This is the map... that shows us where we're going. And this is the map... that shows us where we've been. And it's never... ever ugly.**

Auggie : But what about your gray hair?

Isabel : That's compliments of your dad, I think. And as though we summoned him.

(Chbosky, 2017: (22.30 – 28:00)

When Auggie became the center of attention at school because he had a different face from the others because Auggie had a disorder that required him to be born as a different child and how is the

patience of a mother who always encourages Auggie and gives confidence that he is not that bad he thought. all human beings have a sign in themselves given by God.

5. Sympathetic to others

Sympathetic is the feeling of being sorry for somebody. It shows that we understand and care about the problems of the other people. (Hornby, 2010 : 323).

- Isabel : Honey, I have to go, your brother just threw up at school.
Isabel : Nate, do you know where his helmet is? He's asking for it and I've looked everywhere.
Nate : I don't know. Something at school ?
Isabel : He won't say. He won't come out of his room. And now he says he doesn't even wanna go trick-or-treating.
Via : Come on, get ready. It's almost time for the Halloween parade.
Auggie : You're supposed to knock! Go away!
Via : Mom says you won't say what happened. Did someone say something?
Auggie : Someone always says something!
Via : Well, tell me what happened.
Auggie : It's none of your business!
Via : You took my day with Mom, so it is my business.
Auggie : I heard Jack Will talking about me behind my back. He said he'd kill himself if he looked like me.
Via : Jack Will? Isn't he the nice one?
Auggie : There are no nice ones! I wish I'd never gone to school in the first place!
Via : But you were liking school. I know you were.
Auggie : I hate it, okay? I hate it.
Via : **Auggie, I'm sorry, but you're not the only one who has bad days.**
Auggie : Bad days? Do people avoid touching you? When a person accidentally touches you, do they call it "the plague"?
Via : No.
Auggie : Jack Will was all I had. So just don't compare your bad days at school to mine, okay?
Via : Okay. Hey, did you notice that Miranda doesn't come around anymore ?
Auggie : What?
Via : You didn't. Shocker.
Auggie : Yeah.
Via : She went away to camp this summer and now she doesn't like me anymore.
Auggie : Why?
Via : **Because... school sucks. And people change. So if you wanna be a normal kid, Auggie, then those are the rules. So let's go trick-or-treating. Okay? Because right now... we're each other's best friends.**
Auggie : Really?
Via : Yes. So... come on. I'll let you have all my Halloween candy. I'll trade you my apples.
Auggie : Okay
Via : no. I... I know that I said that you could have all my candy, but I was really just saying that to get you out of the house.
Auggie : What about the chocolate?
Via : No.
Auggie : And the Smarties? Gummies, the licorice, the Reese's, the Hersheys...
Via : No! And everything else.

(Chbosky, 2017: 47:52 - 59:31)

How to via persuading Auggie and encouraging that not only he has a bad day on the first day of school, and tell Auggie that everything will change including the closest people and people we trust

even though we don't accept or don't believe it but it's real, everything will change so we have to keep doing good and always be good.

6. Cooperativeness

Cooperativeness involves the fact of doing something together or working together toward a shared aim (Hornby, 2010 : 323).

- Nate : Do you wanna tell us yet how you felt about the tour today?
Isabel : Mr. Tushman went out of his way to tell me how sweet those kids were and that Julian is apparently quite the dream.
Auggie : No.
Nate : Not a dream?
Isabel : Is he one of those kids that acts one way in front of grownups and then another way in front of kids?
Auggie : Yeah, I guess.
Isabel : ***Well, I know it's hard, but you have to understand that he probably feels badly about himself. And when someone acts small, you just have to be the bigger person, all right?***
Auggie : Right.
Nate : ***Look at me, Auggie. That kid sounds like a real jerk If somebody pushes you, you push back. Don't be afraid of anyone.***
Auggie : Why are we whispering?
Nate : Because I'm afraid of Mom.
Isabel : ***You just gotta be a bigger person and rise above it. It's that easy. Auggie, I do believe this is the best year for you to start school because everybody is going to be new. But if you really don't wanna go...***
Auggie : ***No. It's okay. I wanna go.***
Isabel : You do? What changed your mind?
Auggie : ***Well they have a really good science elective. And I need a better science teacher.***
Isabel : Well, there's that I'll meet you right here after school. Okay? Right here.
Nate : I'll see you later. Can you hear me? ***Hey. Two rules. First, only raise your hand once a class, no matter how many answers you know. Except for science. Crush them all. you're gonna feel like you're all alone, Auggie, but you're not. I love you.***
Auggie : I love you, too.
Nate : Have fun.
Auggie : Bye.

(Chbosky, 2017: 11:22 – 14:12)

How the auggie family gave auggie enthusiasm to go to school where previously auggie was only home school and how the auggie mom gave advice and so did the auggie dad giving the rules when auggie was at school which auggie should do or not do.

7. Thankfulness

Thankfulness is word or action that shows that we are grateful to somebody for something.

- Via : ***August is the sun. My mom and dad and me are planets orbiting the sun. But I love my brother and I'm used to the way this universe works. My mom says that on my fourth birthday I wished for a little brother. And when he was born, it only took me a few seconds and I was all over him.***

How about via being grateful to have a family like them and having parents like Isabel and Nate especially having a brother like Auggie even though Auggie was born different but via being very grateful to have a brother like Auggie. because mom's via said when via her 4th birthday via wanting a brother.

(Chbosky, 2017: 26:24 – 27:03)

Auggie : **Mom..**

Isabel : Yes ?

Auggie : **Thank You.**

Isabel : For What?

Auggie : **Making me go to school. I was so mad at you sometimes. But I'm really happy to be here.**

Isabel : **You really are a wonder, Auggie. You are a wonder.**

Based on the dialogue above, Auggie expressed his gratitude to his mother for sending him to public school. At first Auggie was angry but now Auggie is even more grateful

(Chbosky, 2017: 1:41:28 – 1:41:28)

Mr Tushman : So, will August Pullman please come up here to receive this award

Jack : You're the best, dude!

Auggie : **I felt like I was floating. My heart was beating so fast. I didn't really understand why I was getting a medal. It's not like I blew up the Death Star. All I did was get through fifth grade, just like everyone else here. Congratulations. Here you go. That's for you. Then again, maybe that's kind of the point. Maybe the truth is, I'm really not so ordinary. Maybe if we knew what other people were thinking we'd know that no one's ordinary. And we all deserve a standing ovation at least once in our lives. My friends do, My teachers do, My sister does for always being there for me, My dad does for always making us laugh. And my mom does the most. For never giving up on anything. Especially, me.**

(Chbosky, 2017:1:34:05 - 1:39:16)

8. Kind hearted

The kind hearted is the quality of being kind (Hornby, 2010 : 822).

Jack : Hey, what's wrong?

Auggie : Go away

Julian : Hey, Jack, come sit with us.

All : **Yeah, come on, man. I wonder what happened. Maybe Jack touched Auggie and couldn't wash his hands in time Jack finally got the plague.**

Summer : **Hi. I'm Summer.**

Auggie : I know. We're in the same classroom. You don't have to do this.

Summer : Do what?

Auggie : You don't have to be my friend. I know Tushman talked to you.

Summer : **I don't know what you're talking about, Auggie.**

Auggie : I know Tushman talked to some kids before school started and told them they had to be friends with me.

Summer : **He didn't talk to me.**

Auggie : Yeah, he did.

Summer : **No, he did not.**

Auggie : Yeah, he did.

Summer : **No, he didn't, I swear on my life!**

Auggie : Okay, okay. You don't have to get mad.

Summer : **I don't like being accused of things, okay? Okay. I'm sorry. You should be.**

Auggie : He really didn't talk to you?

Summer : **Auggie!**

Auggie : Okay, I just... Why are you sitting here then?

Summer : **Because I want some nice friends for a change.**

Auggie : Me, too.

(Chbosky, 2017: 54:15 – 55:49)

Summer's kindness wants to get acquainted with Auggie, shake hands, and sit together while taking a break at the cafeteria, when the others talk about contact with Auggie that will catch the plague. But with pride his Summer ignored them and continued to sit with Auggie.

9. Trustworthiness

Jack : Dear Mr. Tushman, I am very sorry for punching Julian. It was wrong of me to do that. I know you may need to expel me, but I'd still rather not say... why I did what I did. It might get Julian in trouble too. and that's not fair. **Sincerely, Jack Will.**

Mr Tushman : Dear Mr. Will... one thing I've learned in 20 years in education is that there are two sides to every story. So I think I can imagine what started the fight. While nothing justifies striking another student... **I know good friends are worth defending. So, after your twoday suspension ... your scholarship will be waiting for you.** I thought we were friends. **Just keep up the good work.** And keep being the fine boy we all know you to be. **Sincerely, Mr. Tushman.**

(Chbosky, 2017: 1:08:59 – 1:10:07)

The kindness of a Jackwill defends Auggie because Julian bully Auggie and Jackwill hits Julian until Jackwill can be suspended in 2 days. and Jackwill resigned Mr Tushman's decision to revoke the scholarship for Jackwill. but Mr tushman believe in Jackwill why the reason Jackwill hit Julian, and Mr tushman entrusted Jackwill to get the scholarship back.

10. Sincerity

Sincerity shows the feeling, belief, or behaviour that we really think or feel (Hornby, 2010 : 1385).

Justin : You ready?

Miranda : Are you supposed to be in the girls' dressing room?

Justin : Just wanted to wish you good luck. "Break a leg," not "good luck."

Miranda : **You too. Anyone cheering you on tonight?**

Justin : Yeah... my mom invited the entire block. It's gonna be really embarrassing. You?

Miranda : My dad is on his belated honeymoon and my mom's in a funk, but maybe she'll come tomorrow.

Justin : **Well, Via's family will cheer you on. You'll be great tonight. Honey, just enjoy the play.**

Miranda : Okay.

Miranda : **Mr. Davenport? I'm really sorry, but I can't go on tonight. I don't feel well. I think I might throw up.**

Mr Davenport : Okay, everybody gets nervous. You know, when I did my hamlet. I threw up every night. You're gonna be fine. Just do it. You'll have of spring break to recover.

Miranda : Mr. Davenport, you're not listening. I'm not going on.

Mr davenport : Are you kidding me?

Miranda : I'm really sorry, but Via knows all the lines. She can do it.

Mr davenport : Then go find her then.

Miranda : Thank you.

Via : **Is this... Is this really happening?**

Mirada : **Yes, you're going on as Emily. We don't have much time.**

Via : Well, I don't even know if I'm gonna remember all of my lines.

Miranda : **You'll be great. Justin will help you through it.**

Mr davenport : Via, you're on in two minutes.

Via : **Why... why are you doing this.**

Miranda : I told you... I feel sick.
Via : Okay.
Isabel : ***Miranda looks so different.***
Nate : ***That's not Miranda, that's Via.***
Isabel : What?
Nate : ***It's Via***

Via on Stage

Via : As for me, I'd rather have my children healthy than bright. I'm both, Mama, you know I am. I'm the brightest girl in school for my age. I have a wonderful memory.
Nate : She's doing very well.
Via : Take me back... up the hill... to my grave. But first... wait... one more look. Goodbye... goodbye, world. Goodbye, Grover's Corners. Mama... and Papa. Goodbye to clocks ticking. and food. And coffee. And hot baths. And sleeping. And waking up. Earth...

Auggie : ***Via! Oh, my God! That was incredible!***

Via : It was just a play. It wasn't "just" anything.

Auggie : You were amazing! You were great, Via! Amazing!

Via : Thanks, Auggie.

(Chbosky,2017 : 1:16:38 - 1:23:33)

Miranda's sincerity allowed herself to give in only to via performing because Via's family came to see the art performance. because Miranda really loves Via and her family.

11. Love and affection

Love is a strong feeling or deep affection for somebody or something, especially a member of family or friend (Hornby, 2010: 884). Affection is the emotional state of liking or loving somebody or something very much and caring about them (Hornby, 2010: 24).

Nate : Looking sharp.

Auggie : Thanks, Dad.

Nate : I'm talking about me.

Auggie : Hey! You look good too.

Nate : I think it's safe to say the Pullman men are crushing it today. You've come a long way.

Auggie : Yeah.

Nate : Auggie, I am proud of you for sticking it out. you didn't think I would, did you?

Auggie : Of course I did.

Nate : Okay, well, come on, you gotta... I mean, when you started you were still wearing the astronaut helmet in public.

Auggie : I love that helmet. I wish I knew where it was.

Nate : It's in my office.

Auggie : What? Dad! That was a gift. You had no right to hide it!

Nate : Auggie, Auggie, please, don't be mad. You gotta understand, you were wearing it all the time. I never got to see you anymore. I missed your face. I know you don't always like it, but I love it. It's my son's face. I wanna see it. Can you forgive me?

Auggie : No... Yes. Does Mom know?

Nate : No. God, no, she'd kill me. But I can maybe find it, if you need it back.

Auggie : That's okay.

(Chbosky,2017:1:39:08 – 1:44:02)

Based on the above dialogue how Auggie's father adores Auggie that he has made it through a difficult part in his life and Auggie's father really loves Auggie and hopes Auggie doesn't wear the helmet too often because his father really wants to see his child's face without having to be covered every day.

Moral Values in Character Auggie and Others Character Supporting

1. Auggie

"It's like that last precept Mr. Browne gave us. Be kind, for everyone is fighting a hard battle. And if you really wanna see what people are, all you have to do, is look."

(Chbosky, 2017: 1:45:13 – 1:46:16)

My mom always said. "If you don't like where you are just picture where you wanna be."

(Chbosky, 2017 : 14:30 – 14:50)

I know I'll never just be an ordinary kid. Ordinary kids don't make other kids run away from playgrounds. Ordinary kids don't get stared at wherever they go. But it's okay if you wanna stare, too. My name is Auggie Pullman. Next week, I start fifth grade. And since I've never been to real school before, I'm pretty much totally and completely petrified."

(Chbosky, 2017 : 03:30 - 04:10)

Meeting kids is harder than meeting adults. Everyone makes the same face at first. But kids aren't as good at hiding it. So I usually look down.

(Chbosky, 2017: 06:21 - 06:33)

2. Isabel

We all have marks on our face. (pointing at her wrinkles) I have this wrinkle here from your first surgery, I have these wrinkles here from your last surgery. (pointing at her heart) This is the map that shows us where we're going. (pointing at her face) And this is the map that shows us where we've been. And it's never ever ugly."

(Chbosky, 2017 24:10 – 25:30)

Well, I know it's hard, but you have to understand that he probably feels badly about himself. And when someone acts small, you just have to be the bigger person, all right?

(Chbosky, 2017:11:22 – 14:12)

3. Nate

Look at me, Auggie. That kid sounds like a real jerk If somebody pushes you, you push back. Don't be afraid of anyone.

(Chbosky, 2017:11:22 – 14:12)

Hey. Two rules. First, only raise your hand once a class, no matter how many answers you know. Except for science. Crush them all. you're gonna feel like you're all alone, Auggie, but you're not. I love you.

(Chbosky, 2017:11:22 – 14:12)

4. Olivia (Via)

Because... school sucks. And people change. So if you wanna be a normal kid, Auggie, then those are the rules.

(Chbosky, 2017: 47:52 - 59:31)

5. Summer

When given the choice between being right or being kind, choose kind.

(Chbosky, 2017:17:15 – 17:30)

6. Miranda

I want to tell him that the world is bigger than his room, therefore explore the world so you will know that life is meaningful.

(Chbosky,2017:1:01:04 – 1:02:02)

V. Conclusion

From this analysis, the writer found eleven moral values in this movie; there are: Bravery, Humbleness, Honesty, Steadfastness, Sympathetic to Others, Cooperativeness, Thankfulness, Kind Hearted, Trustworthiness, Sincerity, Love and Affection. However, the dominant moral values in the movie is helping each other. Movie is a media that have important influence in giving information and as a tool to deliver messages to audience or people. The messages can be positive or negative depend

on audience, because movie show to audience by visualization. Moral value is the values that express ideas about how life is. There is constant debate about this which values constitute of good life.
