## LICENSE AGREEMENT

Article title : Pembuatan seal tabung gas karet alam dengan filler pasir kuarsa sebagai pengganti karbon hitam

All Authors : Suharman\*, M. Harun

To be published in : Majalah Kulit, Karet, dan Plastik, Vol 33 No 1 (2017)

### **License of publishing rights**

I hereby grant to Majalah Kulit, Karet, dan Plastik an exclusive publishing and distribution license in the manuscript identified above in all forms and media (whether now known or later developed), throughout the world, in all languages, for the full term of copyright, effective when the Article is accepted for publication. This license includes the right to enforce the rights granted by this license against third parties and to sublicense such rights.

### **Scholarly communication rights**

I understand that I retain the copyright in the Article and that no rights in patents, trademarks or other intellectual property rights are transferred to Majalah Kulit, Karet, dan Plastik. As the author of the Article, I understand that I shall have the same rights to reuse the Article as those allowed to third party users (and the Journal) of the Article under the CC-BY License.

### **User rights**

The publisher will apply the *Creative Commons Attribution-4.0 International License* (CC-BY) to the Article where it publishes the Article in the journal on its online platforms on an Open Access basis.

The CC-BY license allows users to copy, to create extracts, abstracts and new works from the Article, to alter and revise the Article and to make commercial use of the Article (including reuse and/or resale of the Article by commercial entities), provided the user gives appropriate credit (with a link to the formal publication through the relevant DOI), provides a link to the license, indicates if changes were made and the licensor is not represented as endorsing the use made of the work. The full details of the license are available at:

<https://creativecommons.org/licenses/by/4.0/>

### **Reversion of rights**

Articles may sometimes be accepted for publication but later rejected in the publication process, in which case all rights will revert to the author.

#### Copyright Notice

The publisher shall publish and distribute the Article with the appropriate copyright notice.
