Re : DOAJ-indexed Journal acceptance

Dear Wahyuni Handayani

Congratulations,

We are pleased to inform that your paper entitled

Students' Reading Comprehension of Science and Physics Texts

has been recommended for publication in **DOAJ-indexed journal** (see <http://seminar.uny.ac.id/icriems/registration>). In order to proceed the publication, please log in to your account and choose one option. If you choose to accept this decision, you are requested to follow the Journal guidelines and submission. We have no authority on the decision making.

Otherwise, you can choose another option. One is to publish your article in the ICRIEMS 5 Regular Conference Proceeding. In this matter, you are requested to send your camera-ready version in word document. You must follow the reviewer(s) comments and AIP template. Please upload the document by August 24, 2018. In order to avoid delay in the publication process, please meet the deadline. Please note that the document received after the deadline may not be considered to publish in the ICRIEMS 5 Regular Conference Proceeding.

We also allow you to withdraw your article and we will not publish your article.

We thank you for your cooperation and patience.

Best Regards,
ICRIEMS 5 Committee
